## It Takes a Village to Raise a Child:

*Partnering with Parents to Help Students' Achieve Their Goals*

**Program Description:** Recent research shows the value of **parental involvement in their children's education improves students' behavior, attendance, and achievement.**

With that in mind, this series of workshops will *empower* you as a parent in the community to learn how to become actively involved in the school and will also demonstrate what successful parent engagement entails. Through strategies, skills, and effective communication as well as feedback, you will have a better idea of what is needed to achieve these goals.
