Dear Special Education PTA member,

Are you interested in helping another parent that may be starting out in the Special Education process or may just need a little extra support? Volunteer to be a parent member. At times, Connetquot SEPTA is contacted by families for guidance and support at CPSE/CSE meetings. We would like to have a list of possible volunteer's to contact. Kindly, provide your name and contact information (name, email and phone number) to the email above. If the need arises, we will contact you to see if you are available.

What is a parent member?

A parent member of the CPSE/CSE is a parent of a child with a disability who lives in the school district. They attend the Committee meetings to support the parents/guardians and to help insure that the focus of the meeting is on the child.

The role of the parent member at a Committee on Special Education meeting is:

- support the parent(s) and explain the process as needed
- provide feedback from a parent's point of view
- seek clarification and explain to the parent as needed
- participate in decisions as an equal member of the Committee as needed
- keep all student and family information strictly confidential.

Thank you for your interest.

Warm regards,
Lisa Kennedy-President Connetquot SEPTA
